Architectural Square Pendant Lighting Luminaire

The Turn Square Series creates a strong architectural impact in modern spaces with its hollow square form and simple design language. Thanks to its geometric structure that provides homogeneous light distribution, it offers decorative and comfortable lighting, while its minimalist form adds an aesthetic touch to contemporary projects.

With its aluminum body and slim profile details, Square offers a lightweight and integrated design, standing out as a striking lighting element in offices, social areas, and commercial projects.

Its pendant mounting structure, with various size and control options, adapts to project-specific lighting scenarios, offering both functional and decorative lighting.
