Clip-In Ceiling Mountable Lighting Fixture

Flat-C 600 is a compact panel lighting fixture developed for compatibility with clip-in ceiling systems. With its standard 60x60 cm panel size, it offers a simple and modern look while providing comfortable lighting with homogeneous light distribution.

Thanks to its metal housing and high-efficiency optical system, it offers long-lasting use. It provides an effective general lighting solution for offices, healthcare facilities, educational institutions, and commercial spaces.

Its standard dimensions allow for easy integration into modular ceiling systems. With various power, color temperature, and control options, it adapts to project-specific lighting needs.
