Surface Mounted Square Downlight Fixture

CANVAS-T is a stylish and functional surface-mounted downlight solution developed for modern architectural projects, featuring a metal sheet body and a square form. Its surface mounting design offers a practical and decorative solution for projects where there is no suspended ceiling space or where recessed installation is not preferred.

It adapts to project-specific lighting scenarios with various power, color temperature, and control options. Its Class II electrical protection ensures high safety standards and reliable use. It is suitable for various application environments such as offices, shops, hotels, educational buildings, and commercial spaces.
