IP65 Sterile Lighting Fixture

Even-GN IP65 is designed for clean and controlled indoor environments and offers IP65 protection thanks to its silicone-sealed structure. Its opal diffuser distributes light homogeneously, creating comfortable and balanced lighting in workspaces. Its metal sheet housing and sealed construction ensure reliable use in areas where dust and moisture are controlled, while its 120° wide beam angle provides even illumination on surfaces. Its 600x600 mm dimensions allow for easy integration into modular ceiling systems.

It combines aesthetic appearance, high visual comfort, and reliable performance in hospitals, laboratories, healthcare facilities, pharmaceutical production areas, corridors, and other indoor spaces requiring high hygiene standards.
